Internship Cooperative Agreement

Student Name: _____ Student ID: _____
This Cooperative Agreement (the "Agreement") is entered into by and between
_____ (the "Employer/Internship Provider"), a _____
Name of Internship Provider State of Incorporation Corporation,
with offices at _____ and International Technological University (the "University")
Address of Corporate Headquarters
with its principal office located in Santa Clara California . Further, the effective date of this Agreement will be the last day of signing by an authorized representative of the parties (the "Effective Date").

BACKGROUND

1. This Agreement is designed to formally establish a cooperative training relationship between the Employer (Internship Provider) and International Technological University (ITU) for the benefit of students enrolled in the University's various academic degree programs. **Students are only allowed to participate in the internship according to the Academic Start and End date of the trimester they are applying for.** Students are not authorized to work more than the hours allotted as per the offer letter. Part-time is no more than 20 hours per week and full-time is 21 + hours of work per week not to exceed 40 hrs.
2. Where involving a student attending ITU on an F-1 student visa, the parties to this Agreement acknowledge an understanding of the meaning of a proper internship offered through Curricular Practical Training (CPT), as defined by Title 8 of the U.S. Code of Federal Regulations, Section 214(f)(10)(i), which reads as follows:
"An F-1 student may be authorized by the DSO to participate in a curricular practical training program that is integral part of an established curriculum. Curricular practical training is defined to be alternative work/study, internship, cooperative education, or any other type of required internship or practicum that is offered by sponsoring employers through cooperative agreements with the school"
3. The parties to this Agreement share a common interest in providing internship work opportunities that will enhance the educational training received by ITU students. This may either result in job offers post-graduation or be beneficial to students in competing for employment elsewhere, once their degree programs are completed.

The Employer specified below, upon signature by an authorized representative, agrees to cooperate with International Technological University to provide qualified internship opportunities for students who can meet the employers' intern hiring specifications.

1. Definition

1.1. An Internship is:

- 1.1.1. A student work opportunity that does not replace or substitute a regular employee. Instead, it will promote mentoring and training that will enhance a student's academic, career and personal development.
- 1.1.2. Interns should be challenged by and learn from their internship in ways that will contribute to their educational and career goals under supervision of a professional in the field.
- 1.1.3. Meets registration requirement for 1 Credit Hour (PT < 20 hrs.) or 3 Credit Hours (FT 21-40 hrs.) for academic internship course.
- 1.1.4. Internships are distinguished from a short-term job or volunteer experience in that there is an intentional learning agenda structured into the experience.
- 1.1.5. Interns will be under the direct supervision of a supervisor/mentor at the site where they are interning and **cannot work remotely** (COVID 19 pandemic exception).
- 1.1.6. Internships can be paid or unpaid
