Part A - Educational Offerings

1. Which of the following types of instruction/programs are offered by your institution? [Check one or more]

If your institution does not offer occupational, academic or continuing professional programs, you are not expected to complete this or any other IPEDS survey.

<input type="checkbox"/>	<u>Occupational</u> , may lead to a certificate, degree, or other recognized postsecondary credential
<input checked="" type="checkbox"/>	<u>Academic</u> , may lead to a certificate, degree, or diploma

Institution: International Technological University (443128)

Part B - Organization - Control and Levels

1. What is your institutional control or affiliation?

Be sure to select the correct control for your institution. Errors on this question have an impact throughout the IPEDS surveys, in federal reporting, in net price groupings, and on your institutions' appearance to students. If you reported incorrectly in a previous year, please contact the IPEDS Help Desk at 877.225.2568 to correct the error.

2. What award levels are offered by your institution? [Check all that apply]

Award Levels reported should be completed based on the **current year**. When reporting award levels for subbaccalaureate certificates (levels 1, 2, and 4), **determine program length by the number of credit or clock hours**, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

The "Other" award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the "Other" category.

Even though Teacher Preparation certificate programs may require a bachelor's degree for admission, they are considered subbaccalaureate undergraduate programs. Check the applicable award level 1, 2, or 4, depending on the

length of the Teacher Preparation program.

If the calendar system differs from prior year or requires a change, please contact the IPEDS Help Desk at 877.225.2568.

3. What is the predominant calendar system at the institution? [Choose one]
