Mr. Tom Tafolla
Accreditation Liaison Officer (ALO)

Dear Mr. Tafolla:

At its meeting on June 28, 2024, the WASC Senior College and University Commission (WSCUC) acted to withdraw ITU's accreditation. ITU has submitted its intent to appeal the Commission's decision. The [Appeals Policy](#) indicates that an institution remains in the same status it was in prior to the withdrawal of accreditation action, in this instance show cause, while the appeal is pending. A link to the Commission Action Letter is [here](#).

Please advise if there are further questions.

Warm Regards,

Stephanie A. Bond Huie, Ph.D.
Vice President
WASC Senior College and University Commission
